

Raquel Russo

Website 

Raquel Russo is a Portuguese illustrator, storyteller, and designer. She has been drawing and painting ever since she could hold a crayon and has worked with watercolor, color pencils, gouache, and digital mediums. These days, her materials of choice are a mixture of gouache and color pencils with digital edits that allow her to create images rich with emotion and meaning. Having illustrated multiple picture books in the European market, Raquel loves to play with rich colors, textures, and lines to illustrate warm, heartfelt stories full of emotion and movement. As an enthusiastic researcher, she also really loves bringing nonfiction picture books to life.
